

Vespa World Club Registration System

Once you have logged into the system you will be able to choose an event from a drop down list.
First: choose the event:

The screenshot shows the registration system interface. At the top, there is a green header bar with 'Club User' and three icons: a question mark, a gear, and a refresh symbol. Below the header, the 'Event' dropdown is set to '08.11.2017: Testtreffen'. The event details show 'Testtreffen' for the dates '08.-10.11.2017'. There are two main sections: 'Info about this event' and 'Registrations for this event'. The 'Event Fee' section shows 'Event fee per person' as 35,00. The 'Registrations' section shows 'No registration found for this event'. Below this, there is an 'Add-ons' table with one entry: '1 abc 10,00'. At the bottom left, there is a copyright notice: '© Vespa Club Assistance'.

Click on  to add one participant or on  if your members are already in the system and can all be registered at once.

When adding individual participants, the following window will appear – all information which is mandatory is marked in red. Any add-ons for your event can be chosen in this window.
